SUMMIT
MARCH 8TH, 9TH, 10TH, 2022

INTRODUCTION

For our inaugural Solutions Summit, RepresentWomen gathered experts in election administration, voting rights, and democracy reform to discuss the viable, scalable, and transformative initiatives that will strengthen our democracy. Over the course of three days, we held sessions on fair elections, fair access, and fair representation, ending each day with ways we could take action to advance the solutions discussed that day.

We compiled all of those ideas, resources, and guides into one place to create this 2022 Solutions Summit Resource Guide, which provides a plethora of take-action options so you can be a part of the solution.

Join us in building a 21st-century democracy.
